

**Word Spoken by: Dr. Hattabaugh**  
**January 5, 2014**

This is a year of more, of more glory. More refreshing, refreshing of your Spirit, but a higher level of consecration. A higher level of dedication to the things of the Spirit. Putting a priority on our spiritual life. Being faithful at it, staying with it, being dedicated to it, being dedicated to know you, being dedicated to fellowship with you. Being dedicated, sold out to your plan. Not looking anywhere else other than to you, the author and finisher of our faith! The author and finisher of the plan of God for our lives. We thank you that your plan is spiritual. It's a spiritual plan that impacts the natural realm, impacts our flesh realm. We are all called to live a life of the Spirit, knowing you, flowing with you and understanding you. Father, I just thank you times of refreshing, times of heaven on earth, that we will begin to enjoy for those who will walk by the Spirit and not by the flesh. Those that will reach over and live by the Spirit, require the help that comes from the Spirit, depending on you, depending on you in our life Father. Not depending on our government, not depending on human beings, depending on you. That we really learn to live by the Spirit, and walk by the Spirit, and gain wisdom and knowledge by the Spirit, and learn to fellowship with you in the Spirit. That the realm of the Spirit would become more real to us than even the natural realm we live in. That the realm of the Spirit will become more real to us and that we will become more acquainted with it and learn to flow with it. "For this is a new time," saith The Lord, "A new time my Spirit being poured out across this nation to those who will reach out and receive. Those who will reach out, those who endeavor to walk by the Spirit, those who will consecrate themselves to me. For there will be greater glory, greater manifestation of My presence on your life as you make the decision, 'Oh I'm going to grow and I'm going to flow in this new move, in this new wave of the spirit concerning me and my family.'" We've been created to walk and live in the Spirit. Help us, Father, to understand that. This is a time of greater glory, greater manifestation of God's power on our lives. The power is being turned up, the glory of God, the anointing of God. The anointing upon our lives, the anointing in the earth to do greater things for you than ever before.
