

**Word Given By:** Dr. Dennis Hattabaugh

**Word given to:** the Church

**Date:** January 22nd, Thursday Night Prayer

“So, say not in your heart it’s going to be a hard thing, say not in your heart this will be a hard task. Did I not tell you in My word that I can do exceedingly, abundantly, above all that you could ever ask or think? Don’t ever think anything I’ve ever shown you is too big, don’t ever think anything I’ve ever shown you is too **expansive** for you to believe. For those things that I’ve shown you, I’ve given you targets, I’ve given you markers as it were like landmarks in the earth that you will begin to see, yes, that is the direction. And as you use your faith, and as you release your faith, you’ll see that your faith will soar you forward in the name of Jesus, hallelujah. We say it’s light and easy for me and light and easy for this church.”

“Say, ‘I’m moving in greater grace, I’m moving in a greater grace, the grace of God on me, greater grace on me, I’m moving in a greater grace.’ Father, we thank you for the angels, angels. Angels being released, angels in helping, angels ministering, angels flowing by the Spirit of God, angels helping bringing in the finances, bringing in the people, miracles, deliverances, signs, miracles and wonders. For the former and the latter will come together and it shall be poured out. And miracles will be of the hour, miracles will be of the hour and miracles will begin to draw, not just in this place but in your own personal life. As you step out, and as you begin to be used, saith God, I’ll flow through you and things will begin to take place even before your eyes. You’ll begin to see people healed and delivered as you’re speaking and preaching the word of God to them. So be encouraged, the greater grace has come and continue to say, ‘I flow in the greater grace. I’m flowing in that greater power, that greater anointing.’ Say, ‘I’m in revival, it’s light and easy, I’m refreshed and I’m redeemed and I’m entering in to all that God has. I’m walking, and living, and talking that greater grace has come on me to abide, and I’m cooperating with it in the name of Jesus. The grace of God upon my life, family, finances, children, mind, upon every part of my life, that’s greater grace, it’s greater, that means I haven’t experienced it yet, all that God wants, so I’m cooperating with that greater grace in the name of Jesus.’”
