

## **Results of the Baptism in the Holy Spirit**

### **Introduction**

The baptism in the Holy Spirit is a supernatural endowment with power from heaven to the Christian for effective witness and service. It is attested by speaking in a language given by the Holy Spirit, but unknown to the one speaking. It enables the Christian to build up his or her own spiritual life by direct and continual communion with God and is the gateway into a life in which both the gifts and the fruits of the Holy Spirit should be manifested. In the New Testament church, this experience was considered normal for all believers.
