

The Power of the Seed

Foundation Scriptures: Proverbs 4:20-23

➤ There are many ways a person can receive healing:

- Laying on of hands
- By faith in the Name of Jesus
- Prayer of faith and anointing oil
- Through a miracle
- Through the gifts of the Spirit
- Believing the Word of God

• Psalm 107:20

- God's Word has healing power in it. When it is acted upon in faith, one can be assured that healing will come.

• Romans 1:16

• Proverbs 4:20-23

- Notice, it's when the Word gets into the **heart** {*spirit*} that it produces **health** {*medicine*} to all the flesh.
- The Word never fails to produce healing when it gets into the heart and is acted upon in faith.
- **Verse 20-21** tell us how to get the Word in our heart:
- Attend: obey and act on the Word.
 - Keep hearing the Word.
 - Keep the Word coming into your eyes.
- The more you **hear, see, and obey** the Word, the more the Word passes from your mind and gets into your heart. This is where the Word of God grows and brings forth healing.

• Proverbs 4:23

GWT: *Guard your heart more than anything else, because the source of your life flows from it.*

- You guard your heart by guarding your mouth and guarding what you allow to come into your ears and eyes.

• Luke 8:11

• Genesis 1:11, 29

- The trees come out of seed, the flowers come out of seed, everything comes from a seed.
- Everything around us is proof of how seeds produce things.
- The Word of God is a seed, and we can have what's in the seed (healing, salvation, deliverance, soundness, joy, peace), if we will plant the seed of God's Word in our heart.

- **Mark 4:13-20, 26-32**

- God's Word works like a seed. If you will plant it, water it and give it light, it will grow up and produce a harvest.
- We can plant the Word in our heart, but if we don't keep watering the seed and giving it light, it will wither and never produce.

- **John 15:1-7**
