Dr. Jacobs: Word to Church Body and Praise Team

“Now there is coming, and now is a new phase for this church to move into. A new phase for the praise and worship team to come into. You’ve done good, you’ve done great, but oh, there’s a new phase coming, there’s a new race before you, new things on the horizon and it begins tonight. So, take hold of it and say not, when will the power come, when will things be done, oh, the power is here and the power is in you. Begin to say that, instead of saying, well, it was so and so in the last days in the last time when the Generals were alive. No saith God, I’m still alive, I’ve always been the same and I’m pouring out My spirit right now upon all that will receive it. Some won’t receive it, but you could receive it and if you do, you’ll walk with Me and I’ll walk with you and you’ll do exploits. You’ll see your life has changed and you’ve come into a new realm you’ve never known before. Don’t say you’ve seen it all, or you know it all for that’s a lie, but begin to say the power is here and the power is in me, the power is here, and the power is in me, the power is here, and the power is in me. Say it with me, the power is here, and the power is in me. Hallelujah. There’s been some struggles to be healed and struggles to get well and struggles to be normal, but it shall not be that way from now on if you’ll receive what My servant says and what My servant ministers to you. Answers are coming, answers are coming tonight, answers are coming tomorrow for this church. And those that have struggled even in their family and in their marriage, there’s a new day on the horizon for you if you’ll but listen and you’ll but say to yourself the power is here, and the power is in me. Then let My power work through you and flow through you and say things through you that you need to say, that you need to say to straighten out your life. Talk not against your redemption, speak not against my covenant but say the power is here, the power is in me and I will prevail for the Greater One dwells in me. I shall conquer for the Greater One dwells in me, I shall live and not die for the Greater One lives in me. For the power is here, and the power is in me. Hallelujah.

There’s something about the praise team that’s changing, I don’t know what that is for sure but I’m excited.”

Tongue Given by Dr. Hattabaugh and Interpreted by Dr. Jacobs: Tongue to Church Body

“It’s a new day of victory, it’s a new day in Me, saith the spirit of God. So, begin to embrace it and begin to say, I can change, I can run with the new race, I can flow with the new flow. I can go where the Lord is calling me for the power is here and the power is in me. So, begin to embrace it, begin to say it and begin to think right about your life. You have a great future; the best is yet to come. Oh, some have prevailed over many things already and achieved great victories in a lot of areas, but oh, the best is still to come. Hallelujah. The best is yet to come.”

Dr. Hattabaugh: Word to the Church

“So many need to learn what you know. So many need to learn what you have. So many of you need to say what God has done in your life. For this is the hour and this is the time, saith the Spirit of God, for you to begin to minister, for you to begin to lay hands on people. You begin to do the work of the ministry, for I long and desire to minister to My people and yet so many are ignorant of what belongs to them. So many dying in the world today not knowing that I’ve already healed them. For you have a voice, saith the spirit of God, and you need to speak the Word so that people will know. I’ll begin to use you and I’ll begin to move through you in a greater capacity, saith the spirit of God.”
