“Strides have been made. Strides that have been made of great advancement. So now, you hit another place in the Spirit and now there will be another pace in the Spirit, picking up the pace, acceleration of the place you’ve been headed for all along. So, occupy that place that you have been brought into by the Spirit of God. And in that place, there’s much addition and multiplication. Become skillful with all that belongs to this place in the Spirit by feeding on the word and praying in the Spirit. You will be able to move into a skillfulness with this place, but oh, there’s so much more. Oh there’s so much more, never satisfied with the place but pressing, amen, strides have been made.”
