Pastors and Church Body:

Another, another, another mantle, another mantle. Another mantle that comes upon this Pastor and rests upon this, this body of believers. Freedom, freedom, so many, so many, so many stepping into that mantle that sets them free. Coming into this place and being set free – physically, mentally, financially – every single arena, living free. We thank You Father for that greater mantle, we thank You for it. We thank You Father for adding to this church. I'm not just talking numerically, I'm talking about anointing, adding to it. We thank You Father.

Do you know what a privilege it is to sit in a place like this? Do you know how many people in the earth need to be in this place? Of all the people that need to be free tonight and you're here. Of all the people whose minds need help and their bodies need help, and you're here. You're in it. You need to, that's, that's, that's not a light thing, you need to treat it as, as the honor that it is. We thank You Father.
